ENHANCING DIVERSITY

Our Commitment to Supplier Diversity

We are a diversified healthcare company, not only a pharmaceutical company.

We do this through our people, primarily by providing medicines and vaccines.

We act with intensity and passion in our mission to improve global health.

Sanofi is dedicated to ensuring that opportunities are available to small, minority, woman, veteran and service-disabled veteran owned businesses, HUBZone businesses, disabled owned businesses and LGBT business enterprises; in the procurement of goods and services creating a supplier base which mirrors our customer base. The supplier diversity initiative was created to develop mutually profitable business relationships within the communities we serve.
