

Sanofi US, A SANOFI COMPANY

Independent Medical Education Grants

1st Jan 2014 – 31st Dec 2014

Sanofi US and its affiliate Genzyme Corporation are committed to supporting independent medical education activities in therapeutic areas in which the Company is involved, for healthcare professionals, patients, and consumers to improve patient care and health outcomes in therapeutic areas in which the Company is engaged. Sanofi US and Genzyme Corporation are part of the Sanofi Group, a global pharmaceutical company.

Recipient Name(s)	Activity Title	Funding Amount
Admin of the Tulane Education Fund on behalf of TUHSC CCE	American Society of Pediatric Nephrology Session, "Beans and Bones: FGF23 in CKD-MBD" at the 2014 Annual Meeting of the Pediatric Academic Societies	\$2,000.00
AKH Inc. Advancing Knowledge and Healthcare	Dyslipidemia: When Statins Aren't Enough	\$128,850.00 Collaboration ³
AKH Inc. Advancing Knowledge and Healthcare	6th Annual Orange County Symposium; The Guidelines, Clinical Reasoning and the Patient: A Survival Guide	\$5,000.00 Collaboration ³
Akron General Medical Center	2014 Cardiovascular Invitational	\$2,000.00
Alaska Kidney Patients Association, Inc.	9th Annual Patient Education Symposium	\$1,500.00
American Academy of Orthopaedic Surgeons	2014 Annual Meeting of the Orthopaedic Research Society - Scientific Workshops	\$5,000.00
American Academy of Orthopaedic Surgeons Orthopaedic Research and Education Foundation	ORS/OREF 2014 Basic Science Course	\$5,000.00
American Academy of Physician Assistants	The AAPA 2014 Annual Conference - Nephrology Track	\$5,000.00
American Academy of Physician Assistants	The AAPA 2014 Annual Conference - Endocrinology Track	\$5,000.00
American Academy of Physician Assistants	PAs Guide to the Musculoskeletal Galaxy	\$10,000.00
American Academy of Physician Assistants Florida Academy of Physician Assistants	Update in the Management of Multiple Sclerosis	\$10,000.00

¹ Applicant names are provided by the requestor. If applicants apply as a group for a single educational activity; all applicants may be not be identified above. Education grants cover fellowships, physician, non-physician health care professionals and patient education.

² "Funding Amount" is the amount that the Company funded during 2014 identified above based upon an agreement. Recipients are required to return any unused funds. Information on unused funds returned by the applicant on activities are not reported. "Funding Amount" does not include funds that may have been provided by other affiliated Sanofi Company Entities, (e.g., Sanofi Pasteur)

³ Collaboration (Shared) Funding – is the full amount of a grant funded under an agreement with Regeneron, some or all of which may be shared between the collaborating entities.

Sanofi US, A SANOFI COMPANY

Independent Medical Education Grants

1st Jan 2014 – 31st Dec 2014

Recipient Name(s)	Activity Title	Funding Amount
American Academy of Physician Assistants Nebraska Academy of Physician Assistants	Chronic Kidney Disease in Primary Care	\$4,000.00
American Association of Clinical Endocrinologists	AACE 23rd Scientific and Clinical Congress -- Thyroid Sessions	\$40,325.00
American Association of Clinical Endocrinologists	AACE Endocrine University: Disease Management and Technology Skills for Endocrinology Fellows in Training (Thyroid Module)	\$25,000.00
American Association of Clinical Endocrinologists	Update on the Diagnosis and Treatment of Thyroid Cancer	\$5,800.00
American Association of Clinical Endocrinologists	Michigan-AACE 2014 Annual Meeting	\$7,500.00
American Association of Clinical Endocrinologists	Illinois Chapter of the American Association of Clinical Endocrinologists 4th Annual Meeting	\$7,500.00
American Association of Clinical Endocrinologists	NJ AACE Dinner Program-Staging the Thyroid Cancer Patient and Individualizing Treatment Goals	\$2,935.00
American Association of Clinical Endocrinologists	California Chapter of the American Association of Clinical Endocrinologists 14th Annual Meeting	\$10,000.00
American Association of Clinical Endocrinologists	Mid Atlantic Chapter of the American Association of Clinical Endocrinologists 12th Annual Meeting & Symposium	\$5,000.00 Collaboration ³
American Association of Clinical Endocrinologists	Texas-AACE 2014 Annual Meeting & TESS Surgical Symposium	\$10,000.00
American Association of Clinical Endocrinologists	Mid Atlantic-AACE 12TH Annual Meeting & Symposium	\$7,500.00
American Association of Clinical Endocrinologists	Ohio River Regional-AACE 16th Annual Meeting	\$7,500.00

¹ Applicant names are provided by the requestor. If applicants apply as a group for a single educational activity; all applicants may be not be identified above. Education grants cover fellowships, physician, non-physician health care professionals and patient education.

² "Funding Amount" is the amount that the Company funded during 2014 identified above based upon an agreement. Recipients are required to return any unused funds. Information on unused funds returned by the applicant on activities are not reported.
